OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 7th January 1948.

It has been represented by the several cloth Merchants, Association in the State that the inclusion of powerloom cloth manufactured by Factories having less than 25 looms on five yards basis has caused a great hardship to the consumers inasmuch as the variety of cloth produced by these factories are of a very inferior type and the prices of these cloths when compared to mill cloth are very exhorbitant and that consequently the consumers are not purchasing these goods from the retailers, resulting in the accumulation of the stock with the latter.

The quota holders, wholesalers and the Factory owners are consulted in this connection. All are of opinion that, in the interest of the consumers, and dealers it is desirable to decontrol the distribution of powerloom goods referred to above.

Therefore, in partial modification of this office Notification No. T4-24235, dated 20th May 1946.

of the dealer. However, the sale of this cloth to any particular dealer shall not exceed two bales per month. In no case, the cloth should be sold to persons other than licensed dealer and to places outside the State.

The retailers in turn are hereby permitted to sell this cloth without counting against the quota of the consuming public and no sale of this cloth need be entered in the cloth coupon.

This order shall come into force from 8th January 1948 and it does not apply to the powerloom cloth supplied to the Distributors in the State towards November quota of the Districts. Disregard of these instructions by the producers, wholesalers and retailers is liable to be dealt with very severely.
